Commissioner of Patents and Trademarks  
Washington, D.C. 20231

Under 37 C.F.R. 1.181(a), with respect to the above-identified application, the above-named Petitioner (hereinafter "Applicant") herewith petitions Commissioner to reverse Examiner's requirement for election; by which requirement Examiner prevents Applicant from receiving action on the merits of claims 15-18 and 21 of subject application.

In his COMMUNICATION RE ELECTION REQUIREMENT submitted on 07/14/92, Applicant enunciated his protestations against Examiner's requirement for election. However, in his first office action, Examiner simply withdrew claims 15-18 and 21 from consideration without providing even one word of explanation.

It is Applicant's position that Examiner's withdrawal of claims 15-18 and 21 is improper and Applicant requests of the Commissioner to reverse Examiner's position.
